

## BHUMIKA AHUJA

Bhoomikaaa890@gmail.com | (+91) 7017799402

### Objective

**Energetic computer science graduate from Chandigarh University with a passion for Frontend development, seeking to leverage technical expertise and effective communication skills to contribute to a dynamic team environment.**

### SKILLS:

#### 1. Programming Languages:

Proficiency in languages such as HTML, CSS, and JavaScript is fundamental for Frontend development. HTML is used for creating the structure of web pages, CSS for styling, and JavaScript for interactive elements and dynamic content.

Knowledge of additional programming languages like Java, C

#### 2. Frameworks/Libraries:

Familiarity with popular frameworks and libraries like React.js, Tailwind for front-end development.

#### 3. Web Development Tools:

Proficiency in tools such as Visual Studio Code with familiarity with browser developer tools (e.g., Chrome DevTools) for debugging and testing web applications.

#### 4. Database Management:

Understanding of database management systems like Mongo DB for storing and retrieving data in web applications.

#### 5. Version Control:

Proficiency in version control systems like Git for managing code repositories, tracking changes, and collaborating effectively with other developers.

Experience with platforms like GitHub sharing code repositories, and familiarity with Git workflows such as feature branching and pull requests.

#### 6. Responsive Design:

Ability to create responsive web designs that adapt to different screen sizes and devices using techniques like CSS media queries and flexible layouts, ensuring optimal user experience across desktops, tablets, and smartphones.

### EDUCATION

❖ Computer Science | Chandigarh University

❖ XII(CBSE)H.R PUBLIC SCHOOL

CGPA:7.0/(2021-24)

90.0%(2021)

## ACADEMIC PROJECTS

- ❖ **Project Title**  
Project details

## Extracurricular activities:

- ❖ Public Speaking: Participating in events or clubs to improve speaking skills.
- ❖ Problem Solving: Engaging in activities that enhance analytical thinking and solution finding.
- ❖ Reel Creation: Creating videos or films for personal or professional projects.

## Hobbies:

- ❖ Sports and Fitness: Physical activities for health and recreation.
- ❖ Volunteer Work: Unpaid contributions to community or charitable causes.
- ❖ Personal Development: Activities aimed at self-improvement and growth.
